

Membership

The Friends of the Bridgman Public Library rely on your memberships to support our efforts to enhance the services of our library.

Won't you please renew or join this year to help fund these and other worthwhile activities?

Gift of Reading

At the beginning of each school year, every first grader in the Bridgman School system is introduced to the library and given a brand-new book courtesy of the Friends.

Kids Summer Activities

The Friends provide funds for books, puppet shows, art supplies, reading incentive prizes, and other activities to keep kids reading in the summer and involved in the library

Volunteer Opportunities

There are many ways to support the library - sorting donations, working in the Book Shoppe, or helping set up/work the book sales. Many activities come from member suggestions. New ideas are always welcome!

Used BookSale

The Friends sponsor a Used Book Sale that is widely attended. Books are available at very reasonable prices. Organizing this sale requires many hands.

Special Requests

From time to time, the Library Director asks the Friends to purchase something for the library that does not fall within the normal budget. This can range from shelving or furniture to special programming.
