

We hope you will help the Friends of the Bridgman Library by renewing your membership (or becoming a new member).

This past year, the Friends funded the summer reading program, the Gift of Reading (which provides books for Bridgman Elementary School first-graders), supplied materials for the Early Explorers preschool class, and purchased new shelving for the children's area of the library (coming soon!). We also added three planters to the front of the library.

The library is a wonderful asset to our community and we look forward to celebrating its 60th anniversary. The Bridgman Library has many more exciting projects and programs coming up and the Friends of the Library are happy to be able to support the library. Your membership in the Friends of the Library helps make all these activities possible.
